

Survey Instructions

- Please fill out a survey to help us prepare information for the Council and our Budget Process.
- Please go to our website, download, fill out and return the survey to me by mail, e-mail or even in person.
- Only one form per household and if the information is not filled out at the bottom of page two, the form will not be considered.
- In other words, it will be helpful for us to know if the responding party is a full-time resident, property owner who lives elsewhere or a frequent visitor.
- Keep in mind we are asking not if the core task should be done at all, but rather done by the City.
